(a) The towns of Ballintemple, Kilkilloge, Ballytivnan, and Newtown Anderson, do not now contain 20 houses each; their present population has, therefore, merged in that of the townlands in which they are respectively situated.

(b) The remainder of the town of Sligo is in the parish of St. Johns, in this barony; the entire town contains 11,209 persons. The Poor Law Valuation of the electoral division of Sligo, "under the denomination of streets," amounts to £15,569 5s. 0d., as returned by the Clerk of the Union; but the Poor Law Valuation does not distinguish between the portion of the town in the parish of Calry and that in the parish of St. Johns. The value of these parishes cannot, therefore, be stated separately; their united value amounts to £23,218 10s. 0d.
